

The Kaizen GROUP

Toilet

About The Product.

Experience the next generation of public sanitation: our Smart Automated Public Toilet combines sleek, vandal-resistant design with advanced IoT-powered systems to deliver pristine, touch-free restroom facilities wherever they're needed.

Self-cleaning cycles, real-time monitoring, and user-friendly controls ensure unmatched hygiene and reliability—perfect for smart cities, transit hubs, tourist destinations, and public parks. Enjoy effortless maintenance, data-driven insights, and 24/7 availability, all packaged in a modern, stainless-steel kiosk that elevates any urban or recreational environment.

N1 - Single Unit

N2 - Double Unit

N1 - Single Unit

Model	N1 - Single Unit	N2 - Double Unit	N3 - Single Unit
External Area	1400 * 1800 * 2700 mm	1400 * 3600 * 2700 mm	1500 * 1400 * 2700 mm
Internal Area	1200 * 1200 * 2100mm	1200 * 1200 * 2100mm (Single Cubicle)	1200 * 1200 * 2100mm

Inclusions :

Toilet Indication Tower Display

LED-illuminated icons clearly denote Male and Female cabins, guiding users to the correct facility with clarity and inclusivity.

LED Light

Integrated high-efficiency LED canopy lighting casts a bright, even glow over the entrance—ensuring the doorway and signage remain clearly visible and safe to approach in low-light conditions.

Instructions

A user-friendly, step-by-step guide displayed on the stainless-steel door ensures seamless operation and safety

Advertisement Panel

A premium display area atop the canopy designed to showcase your branding or messaging in high impact:

Signage for Gents & Ladies Toilets

Gradient-green, icon-driven signage offers clear, intuitive guidance to both Ladies and Gents toilets for seamless wayfinding.

Toilet Occupancy Indicator

Real-time LED occupancy indicator delivers instant green/red status feedback, ensuring seamless user flow and efficient facility management.

Main Door

Heavy-gauge stainless-steel main door with RFID-controlled locking and smooth push-to-open action, ensuring secure and effortless entry
